

# Plastic Cards

*Looking for a more permanent, durable card that people are more likely to keep and has a longer life than your average card? Try our plastic cards!*

*Available in White and a wide range of vibrant colours.*

*We offer a wide range of PLASTIC CARDS in a choice of colours and types. With over 70 different colours/shades to choose from, you will find a colour to suit every type of business. These cards are generally credit card thickness ie, 700 to 800mic, the same as bank cards/store cards.*

- ❖ **PERMANENT BUSINESS CARD**
- ❖ **MEMBERSHIP CARD**
- ❖ **LOYALTY CARD**
- ❖ **DISCOUNT CARD**
- ❖ **PASS/ENTRY CARD**

Plastic cards can be totally personalised if required and can have additional features, as listed below.

- **SEQUENTIAL NUMBERING**
- **SIGNATURE STRIPS**
- **MAGNETIC STRIPS**
- **NAME PERSONALISATION**
- **SECURITY MARKING**

***Plastic cards are very suitable for double-sided printing, if required.***

**We do promote our calendar cards around the autumn of each year. These have your business card details on 1 side with a 12 month calendar on the reverse. So, if this interests you contact us around September time.**
