

2016 DIARIES

We can offer quality gold blocking of all sizes of diaries both calendar and academic and appointment books for businesses, clubs, schools etc.

Typically this would be name, telephone number and/or website address and possibly a logo.

We use, as standard a range of professional quality hard covered diaries and appointment books.

Superior quality branded diaries can be used if required, at extra cost. Apart from the hard backed diaries, padded, gilt edged ones are also available. We can use customer supplied diaries, including PVC but please consult with us as to their suitability for gold blocking.

2016 Diaries are available from about August 2015 onwards, but be aware that the later in the year, the more difficult it can be to obtain large quantities!

If you require a logo/design to be foil blocked, please see our

'FOIL BLOCK ARTWORK GUIDE' on our Artwork & Design web page.
